# AI Demand Positioning

See how often AI mentions your hotel for different traveler needs, which competing hotels appear instead, and what to review next.

## Executive Summary

A plain language summary of where the hotel is strongest, where it is weakest, and what changed since the last monitoring period we can fairly compare against.

BIGGEST STRENGTH

**Often placed near the top when AI ranks hotels**

Among AI answers where hotel ranking could be measured, Wyndham San Diego Bayside appeared in the Top 3 64.3% of the time. This shows how prominently the hotel is positioned when AI includes it.

BIGGEST CONSTRAINT

**Signature attributes under-recognized**

Urban Hotel appears in only 2.2% of monitored answers. AI is incomplete on a material part of the hotel's proposition.

## Provider Presence

How often each AI model mentioned your hotel when asked on its own. Each model is shown separately.

| PROVIDER | STATUS | AI PRESENCE | MONITORED | MISSING | MISSING EVIDENCE | I |
|---|---|---|---|---|---|---|
| Perplexity | Monitored | 52.4% | 33 / 63 | 30 | View Missing | |
