AI VISIBILITY AUDIT & ACTION PLAN

Falls Church Marriott Fairview Park

Falls Church, Virginia

INITIAL DIGITAL PRESENCE ASSESSMENT

NOVEMBER 2026

1. Executive Audit Summary

Date and Govern the Open-Ended Renovation Notice

Falls Church Marriott Fairview Park leads its certified five-hotel set and appears in 43 of 46 eligible scenarios. The priority is to protect that position with current facts: date the open-ended renovation notice, reconcile event-space totals, and make the complimentary Mosaic/Metro shuttle, Tandem dining, outdoor venues, and 24-hour Peloton-equipped gym consistently usable.

Performance Snapshot

AI CONSIDERATION	SCENARIO PRESENCE	CERTIFIED PEER POSITION
39.1%	**93.5%**	**#1 of 5**
Mentioned in 72 of 184 comparable monitored AI answers	Present across 43 of 46 eligible traveler-need scenarios	Highest presence among 5 certified Marriott Bonvoy peers

AI Consideration is the share of comparable monitored answers mentioning the hotel; Scenario Presence is the share of eligible traveler-need scenarios where it appeared. Certified Peer Position uses only the named certified Marriott Bonvoy set. These measures do not represent bookings, ADR, revenue, or traveler exposure.

Key Findings

1. Date and Govern the Open-Ended Renovation Notice

The overview says Ellipse and lower-half guest rooms will be renovated from November 23 through April, with lobby noise from 9 a.m. to 5 p.m., but does not identify the year or a precise end date.

Why it matters. Guests and downstream systems cannot determine whether the disruption is current, planned, or completed.

2. Reconcile Event-Space Totals and Capacity Language

The overview markets 27,000 square feet; the events summary reports 28,411 square feet and capacity of 1,400, while meeting copy says events for up to 1,200 and wedding copy cites 840 banquet guests.

Why it matters. The capacity figures may reflect reception, theater, and banquet setups, but each needs explicit qualification and one signed inventory.

3. Strengthen Metro-Shuttle, Dining, and Outdoor-Event Context

Marriott verifies a complimentary neighborhood shuttle to Mosaic District and Metro, Tandem Restaurant & Bar, Starbucks, in-room dining, outdoor patios, and a 24-hour Peloton-equipped gym. ADP recognition was 14.1% for Metro access, 0% for restaurant and room service, 1.6% for outdoor event space, and 2.3% for Peloton.

Why it matters. Consistent facts can help preserve category leadership without implying that any content change would change rankings or revenue.

Recommended Priorities

PRIORITY	ACTION	DESIRED OUTCOME
HIGH	Date and Govern the Open-Ended Renovation Notice	Approved “Date and Govern the Open-Ended Renovation Notice” facts published on the hotel’s named priority digital channels.
HIGH	Reconcile Event-Space Totals and Capacity Language	An approved room-by-room capacity schedule matching live hotel and brand pages.
MEDIUM	Review Marriott Origin Access for Intended Crawlers	Documented crawler-access decision with verified live robots/CDN behavior.

EXECUTIVE TAKEAWAY

Falls Church Marriott Fairview Park should treat its certified ADP result as a prioritization signal. The practical task is to protect or improve decision context with current, internally consistent official facts and documented verification—not to promise a visibility, booking, ADR, or revenue outcome.
