AI VISIBILITY AUDIT & ACTION PLAN

Faranda Collection Bogotá

Bogotá, Cundinamarca

INITIAL DIGITAL PRESENCE ASSESSMENT

NOVEMBER2026

1. Executive Audit Summary

Turn Certified AI Presence Into Clearer Buyer Context

Faranda Collection Bogotá shows AI Consideration 0.5% and Scenario Presence 2.1% (peer —) on the Dealality's latest AI visibility measurements. These measures do not diagnose a website defect. Priority work is to keep official facts accurate, document any automated-access constraints, and present demand-relevant strengths consistently for owners, GMs, and marketing teams.

Performance Snapshot

AI CONSIDERATION	SCENARIO PRESENCE	
0.5%	**2.1%**	
Mentioned in 1 of 192 comparable AI answers	Present across 1 of 48 eligible traveler-need scenarios	

AI Consideration and Scenario Presence come from the Dealality's latest AI visibility measurements. Presence is not bookings, revenue, or traveler exposure.

Key Findings

1. Certified Measurement Is the Baseline, Not a Website Verdict

Consideration 0.5% / scenario 2.1% / peer — are retained from the certified ADP period without remeasurement.
Why it matters. Leadership should investigate visibility signals without treating the website as proven cause.

2. Official Discovery Path Must Stay Accurate

The official website did not return usable HTML to the automated probe; browser or brand-CDN confirmation may be required.
Why it matters. Guests, planners, and AI systems reuse official facts; broken or unreachable official pages undermine every recommendation.

3. Destination and Partner Authority Is a Follow-On Opportunity

Public partial Digital Authority research may identify destination inventories; unpaid research does not invent backlink counts.
Why it matters. Commercially relevant opportunities should be pursued only with verified pages and honest classifications.

Recommended Priorities

PRIORITY	ACTION	DESIRED OUTCOME
HIGH	Approve Canonical Official Facts	Live verification completed or documented no-change decision retained.
MEDIUM	Investigate Official-Site Automated Access	Documented decision and live verification for "Investigate Official-Site Automated Access" on the named channels.
MEDIUM	Confirm and align official facts for Faranda Collection Bogotá	One hotel-approved fact sheet reflected on the official site and spot-checked on priority listings.

EXECUTIVE TAKEAWAY

Faranda Collection Bogotá should treat the certified AI measures as a monitoring signal. Improve factual clarity on the official site first, then pursue destination authority with verified links only.
