AI VISIBILITY AUDIT & ACTION PLAN

Bethesda Marriott

Bethesda, Maryland

INITIAL DIGITAL PRESENCE ASSESSMENT

NOVEMBER 2026

1. Executive Audit Summary

Convert Broad Scenario Coverage Into Clearer Buyer Consideration

Bethesda Marriott appears in 71.4% of eligible scenarios and ranks first among four Bonvoy peers, yet consideration is only 30.1%. That gap is a measurement signal to investigate, not proof of a website defect. Priority work is to keep NIH/government, meetings, dining, and fitness facts accurate and consistent—especially shuttle claims.

Performance Snapshot

AI CONSIDERATION	SCENARIO PRESENCE	CERTIFIED PEER POSITION
30.1%	**71.4%**	**#1 of 4**
Share of comparable monitored AI answers that mentioned the hotel	Eligible traveler-need scenarios where the hotel appeared	Highest presence among 4 certified Marriott Bonvoy peers

AI Consideration = share of comparable answers mentioning the hotel. Scenario Presence = share of eligible traveler-need scenarios with an appearance. Peer Position compares only the certified four-hotel set. Presence is not bookings or revenue.

Key Findings

1. The Consideration Gap Is a Signal, Not a Diagnosed Cause

Broad scenario coverage with 30.1% consideration supports a focused visibility review. Official pages already verify Metro shuttle, NIH/Walter Reed/AU proximity, Cooper's Mill, and Peloton/TRX fitness.

Why it matters. Treat the gap as a signal to investigate. Do not claim the website caused the result.

2. Meetings Inventory Needs One Capacity Language

Events lists 18,719 sq ft, 27 rooms, and Grand Ballroom capacity of 450; marketing also uses ~19,000 sq ft and seating up to 560.

Why it matters. Rounding or setup style may explain the difference. Qualify each figure across overview, events, and planner materials.

3. NIH Shuttle Claims Need Hotel Confirmation

Marriott verifies a complimentary Metro/Downtown Bethesda shuttle and names NIH nearby. The current NIH Patient Hotel Shuttles page does not list Bethesda Marriott among Clinical Center stops.

Why it matters. Do not present an NIH-operated Clinical Center route as verified for this hotel. Confirm any hotel-operated NIH service before buyer-facing use.

Recommended Priorities

PRIORITY	ACTION	DESIRED OUTCOME
High	Confirm NIH access facts; keep Metro shuttle and proximity language accurate	Buyer-ready, source-true institutional signals
High	Sales + Marriott content: reconcile meeting figures in 30 days	Setup-qualified capacity language
Medium	Sales strategy: sourced Hyatt planner brief (no false shuttle claims)	Defensible competitive distinctions
Optional	Leadership: decide if association content supports target demand	Documented commercial go/no-go

EXECUTIVE TAKEAWAY

First-place peer rank should not obscure 30.1% consideration. Organize verified strengths—Metro shuttle, confirmed NIH proximity (not an unverified Clinical Center route), breakout depth, dining, and fitness—into clearer buyer signals, and measure any visibility change later rather than promising it now. Digital authority: NIH authority is contextual—not a verified hotel listing backlink.

2. Action Overview

4 hotel-specific actions at a glance; detailed evidence and agency steps follow.

PRIORITY	ACTION & BUSINESS RELEVANCE	ACCOUNTABLE OWNER	SUGGESTED TIMING
HIGH	**AVA-BM-001** Confirm NIH Access Facts and Keep Institutional Signals Accurate Metro shuttle and NIH proximity are verified buyer-relevant facts. An NIH-operated Clinical Center stop for this hotel is not verified on the current NIH Patient Hotel Shuttles page. Hotel confirmation is required before claiming hotel-operated NIH transport.	Hotel Commercial Leadership	Confirm facts in 2 weeks; approved updates within 30–45 days
HIGH	**AVA-BM-002** Align Meeting-Space and Capacity Language The difference may reflect rounding or room/setup style, not an error. Sales should define each number and align overview, events, and planner materials so buyers compare like with like.	Director of Sales / Events Leadership	Reconciliation in 2 weeks; approved corrections within 30 days
MEDIUM	**AVA-BM-003** Build a Planner Brief Against Hyatt's Different Strengths A sourced internal brief can help planners understand fit without attacking Hyatt or claiming an NIH shuttle advantage this audit could not verify for Bethesda Marriott.	Hotel Commercial Leadership	Internal brief within 30 days
OPTIONAL	**AVA-BM-004** Decide Whether an Association Module Supports Target Demand A focused module could organize relevant facts and inquiry routing, but generic expansion would add maintenance and cannot be assumed to increase AI consideration or bookings.	Hotel Commercial Leadership	Decision within 30 days; module in 60–90 days if approved
MEDIUM	**AVA-BETH-DA-001** Pursue Local Destination Profile; Protect NIH Evidence Integrity Government-travel buyers need accurate institutional context and a clean official Marriott path.	Hotel Sales / Marketing	Shuttle confirmation in 2 weeks; destination outreach in 30 days

3. Decisions Requested from Hotel Leadership

No action is approved by this validation-stage payload. Hotel leadership must confirm facts and authorize public or platform changes.

1. **Confirm NIH Access Facts and Keep Institutional Signals Accurate** **(AVA-BM-001)**
   Hotel leadership must confirm whether any hotel-operated NIH/Clinical Center shuttle exists today, approve exact language, and authorize any external change.
2. **Align Meeting-Space and Capacity Language** **(AVA-BM-002)**
   Hotel leadership must confirm the facts and authorize any external change.
3. **Build a Planner Brief Against Hyatt's Different Strengths** **(AVA-BM-003)**
   Hotel leadership must confirm the facts and authorize any external change.
4. **Decide Whether an Association Module Supports Target Demand** **(AVA-BM-004)**
   Hotel leadership must confirm the facts and authorize any external change.

4. Key Digital Presence Findings

Findings distinguish verified public issues, hotel-confirmation needs, bounded technical observations, and optional commercial choices.

NEEDS HOTEL CONFIRMATION · AVA-BM-001

Confirm NIH Access Facts and Keep Institutional Signals Accurate

Marriott's overview verifies a complimentary shuttle to the Metro and Downtown Bethesda and names NIH, Walter Reed, and American University as nearby access anchors. The live NIH Patient Hotel Shuttles page (Clinical Center patient/family transport) currently lists other Bethesda hotels and does not list Bethesda Marriott / Marriott Pooks Hill. Any hotel-operated NIH or Clinical Center shuttle therefore requires hotel confirmation before customer-facing use. A prior Clinical Center "visitor hotels" URL cited in an earlier draft is not usable evidence.

SUPPORTING EVIDENCE

- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott official overview — Metro shuttle + NIH proximity
- VERIFIED PUBLIC EVIDENCE
  NIH Patient Hotel Shuttles — current Bethesda stops (Marriott not listed)

NEEDS HOTEL CONFIRMATION · AVA-BM-002

Align Meeting-Space and Capacity Language

The events page lists 18,719 square feet, 27 event rooms, and Grand Ballroom capacity of 450; other marketing uses approximately 19,000 square feet and seating up to 560.

SUPPORTING EVIDENCE

- VERIFIED PUBLIC EVIDENCE
  Official meetings and events page
- VERIFIED PUBLIC EVIDENCE
  Official property overview

NEEDS INVESTIGATION · AVA-BM-003

Build a Planner Brief Against Hyatt's Different Strengths

Hyatt materials emphasize Metro-center location and roughly 20,000 square feet including a 7,200-square-foot Regency Ballroom. Bethesda Marriott can defend Metro shuttle service, 27-room breakout depth, and Pooks Hill positioning—but not an NIH Clinical Center shuttle stop, which this audit could not verify for the hotel.

SUPPORTING EVIDENCE

- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott official overview
- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott events page
- VERIFIED PUBLIC EVIDENCE
  NIH Patient Hotel Shuttles — Hyatt listed; Marriott not listed
- VERIFIED PUBLIC EVIDENCE
  Hyatt Regency Bethesda capacity chart — Regency Ballroom 7,200 sq ft
- VERIFIED PUBLIC EVIDENCE
  Hyatt Regency Bethesda fact sheet — ~20,000 sq ft function space

OPTIONAL OPPORTUNITY · AVA-BM-004

Decide Whether an Association Module Supports Target Demand

The hotel already has substantial meetings and institutional-demand content. A dedicated association module is warranted only if sales identifies a defined audience and use case.

- VERIFIED PUBLIC EVIDENCE
  Official property overview
- VERIFIED PUBLIC EVIDENCE
  Official meetings and events page

5. Digital Authority & AI Citation Opportunities

PARTIAL_PUBLIC_SEARCH — NIH ORS shuttle page + destination sites reviewed. No paid crawl.

EXECUTIVE FINDING

Bethesda Marriott's authority story is NIH/government proximity and meetings accuracy. The retired Clinical Center visitor-hotels URL must never reappear. Current NIH Patient Hotel Shuttles page is the correct related evidence surface and does not list Bethesda Marriott—so hotel-operated shuttle claims remain hotel-confirmation items. Destination/CVB backlinks to the Marriott URL were not confirmed in this public pass.

No third-party hyperlinks to the official hotel website were confirmed in this public-partial pass. Mentions without hyperlinks are classified separately.

Verified external mentions

- **NIH ORS — Patient Hotel Shuttles** — page
  VERIFIED_EXTERNAL_MENTION

Competitive comparison

Certified peers are other Bonvoy hotels in the ADP set. No verified competitor website-backlink advantage on Visit Montgomery / Destination Bethesda inventories was established unpaid.

- **NIH-corridor peers** — Competitor lodging backlinks from NIH/destination inventories vs Bethesda Marriott not confirmed in this pass. Evidence

Top opportunities

Keep NIH evidence accurate — never restore Clinical Center hotels URL

POTENTIAL_CITATION_OPPORTUNITY · Priority score 8.8/10

Broken NIH URLs destroy trust; accurate institutional citations protect government-travel positioning.

Recommended action. Retain ORS shuttle page as context only; hotel-operated shuttle claims require hotel confirmation.

https://ors.od.nih.gov/pes/dats/PatientServices/PatientShuttles/Pages/hotel_shuttles.aspx

Pursue Destination Bethesda / Visit Montgomery lodging profile with Marriott URL

POTENTIAL_BACKLINK_OPPORTUNITY

· Priority score 7.4/10

Local destination inventories can reinforce Metro/NIH/meetings positioning without inventing NIH listing claims.

Recommended action. Submit approved Metro shuttle, meetings, and dining facts + Marriott WASBT URL; do not claim NIH hotel-shuttle listing.

https://www.visitmontgomery.com/

Recommended authority actions

1. **Pursue Local Destination Profile; Protect NIH Evidence Integrity** · Owner: Hotel Sales / Marketing · MEDIUM
   NIH ORS shuttle page is verified context without listing Bethesda Marriott; Clinical Center hotels URL stays rejected. Destination lodging backlink not confirmed in this pass.

Verified backlinks and external mentions are not the same as observed AI citations. A competitor mention is not a backlink. Completing an outreach action does not guarantee a change in AI recommendations, bookings, or revenue.

6. Prioritized Action Plan

Each action states the recommendation, owner, timing, completion criteria, exact pages, and verification method.

ACTION 01 · AVA-BM-001

Confirm NIH Access Facts and Keep Institutional Signals Accurate

HIGH PRIORITY | AWAITING HOTEL DECISION | NEEDS HOTEL CONFIRMATION | Owner: Hotel Commercial Leadership

Timing: Confirm facts in 2 weeks; approved updates within 30–45 days

WHAT WE FOUND

Marriott names NIH, Walter Reed, and American University and verifies a complimentary Metro/Downtown Bethesda shuttle. The NIH Patient Hotel Shuttles page currently lists other Bethesda hotels for patient/family Clinical Center transport and does not list Bethesda Marriott. Hotel-operated NIH service was not verified on the live Marriott overview.

WHY IT MATTERS

Institutional demand signals remain commercially relevant, but inaccurate shuttle claims create buyer and compliance risk. Making verified facts clear may improve decision context; this audit does not claim they caused or will cure the consideration gap.

RECOMMENDED ACTION

1. Hotel confirms whether any hotel-operated NIH or Clinical Center shuttle operates today, including hours, eligibility, and destination (campus vs Clinical Center).
2. Approve exact language that separates: (a) Metro/Downtown Bethesda hotel shuttle; (b) NIH proximity; (c) any confirmed hotel NIH service; (d) NIH-operated patient hotel shuttles.
3. Map approved facts across overview, sales collateral, and priority partner listings; remove unsupported NIH-route claims.
4. Verify links, inquiry routing, and live copy against the signed fact sheet.

ACCOUNTABLE OWNER

Hotel Commercial Leadership

SUPPORTING PARTIES

Corporate sales; NIH/government sales; operations; Marriott digital content

SUGGESTED TIMING

Confirm facts in 2 weeks; approved updates within 30–45 days. Timing is proposed and requires accountable-owner agreement.

MEASURABLE COMPLETION CRITERIA

- **Investigation Completed.** A signed review records whether hotel-operated NIH/Clinical Center transport exists, cites current sources, and records unknowns.
- **Correction Submitted.** Every approved change is filed through the responsible hotel, Marriott, or partner workflow with exact source references.
- **Correction Verified Live.** Named pages and collateral match the signed decision, retain working inquiry paths, and do not claim an NIH Clinical Center route without current evidence.
- **No Change Required.** Valid when leadership documents that current Metro-shuttle and proximity language is accurate and no NIH-route claim will be published; rationale is retained.

Hotel Decision Required. Hotel leadership must approve NIH/shuttle facts before any public change. Do not cite NIH patient-shuttle pages as proof of Bethesda Marriott service unless the hotel is listed.

AGENCY IMPLEMENTATION DETAILS

For the digital marketing agency, website developer, or CDN partner.

AFFECTED PAGES / PLATFORMS

- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott official overview — Metro shuttle + NIH proximity
- VERIFIED PUBLIC EVIDENCE
  NIH Patient Hotel Shuttles — current Bethesda stops (Marriott not listed)

REQUIRED CHANGES OR INVESTIGATION

1. Confirm hotel-operated NIH/Clinical Center shuttle status with operations.
2. Separate Metro shuttle, proximity, hotel NIH service, and NIH-operated patient shuttles in approved copy.
3. Update overview, sales collateral, and partner listings only with confirmed facts.
4. Retire any citation to the retired Clinical Center visitor-hotels path as supporting evidence.

SOURCE EVIDENCE

- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott official overview — Metro shuttle + NIH proximity
- VERIFIED PUBLIC EVIDENCE
  NIH Patient Hotel Shuttles — current Bethesda stops (Marriott not listed)

VERIFICATION METHOD

Signed hotel decision, tracked implementation ticket where applicable, and live-page or final-brief QA against current NIH and Marriott sources.

DEPENDENCIES

- Hotel fact confirmation and accountable-owner approval.

TECHNICAL NOTES

No paid research or ADP remeasurement was performed. Distinguishes NIH-operated patient hotel transportation from hotel-operated Metro shuttle. Does not claim Bethesda Marriott is on the current NIH patient-shuttle route.

ACTION 02 · AVA-BM-002

Align Meeting-Space and Capacity Language

HIGH PRIORITY | AWAITING HOTEL DECISION | NEEDS HOTEL CONFIRMATION | Owner: Director of Sales / Events Leadership

Timing: Reconciliation in 2 weeks; approved corrections within 30 days

WHAT WE FOUND

The events page lists 18,719 square feet, 27 event rooms, and Grand Ballroom capacity of 450; other marketing uses approximately 19,000 square feet and seating up to 560.

WHY IT MATTERS

The difference may reflect rounding or room/setup style, not an error. Sales should define each number and align overview, events, and planner materials so buyers compare like with like.

RECOMMENDED ACTION

1. Sales signs a room-by-room inventory with setup capacities.
2. Define where 18,719 versus 19,000 and 450 versus 560 each apply.
3. Submit precise Marriott and collateral edits only where needed.
4. Verify live pages and retain the signed capacity schedule.

ACCOUNTABLE OWNER

Director of Sales / Events Leadership

SUPPORTING PARTIES

Hotel operations; Marriott digital content; sales collateral owner

SUGGESTED TIMING

Reconciliation in 2 weeks; approved corrections within 30 days. Timing is proposed and requires accountable-owner agreement.

MEASURABLE COMPLETION CRITERIA

- **Investigation Completed.** A signed review for "Align Meeting-Space and Capacity Language" records verified facts, unknowns, and the hotel decision.
- **Correction Submitted.** Every approved change is filed through the responsible hotel, Marriott, or partner workflow with exact source references.
- **Correction Verified Live.** Named pages, collateral, or internal brief match the signed decision and retain working inquiry paths.
- **No Change Required.** Valid when leadership documents that current content is accurate or the optional/competitive action is not commercially warranted; rationale is retained.

> **Hotel Decision Required.** Hotel leadership must approve facts and any public change before implementation.

AGENCY IMPLEMENTATION DETAILS

For the digital marketing agency, website developer, or CDN partner.

AFFECTED PAGES / PLATFORMS

- VERIFIED PUBLIC EVIDENCE
  Official meetings and events page
- VERIFIED PUBLIC EVIDENCE
  Official property overview

REQUIRED CHANGES OR INVESTIGATION

1. Sales signs a room-by-room inventory with setup capacities.
2. Define where 18,719 versus 19,000 and 450 versus 560 each apply.
3. Submit precise Marriott and collateral edits only where needed.
4. Verify live pages and retain the signed capacity schedule.

SOURCE EVIDENCE

VERIFICATION METHOD

Signed hotel decision, tracked implementation ticket where applicable, and live-page or final-brief QA.

DEPENDENCIES

- Hotel fact confirmation and accountable-owner approval.

TECHNICAL NOTES

No paid research or ADP remeasurement was performed; no visibility, booking, or revenue causation is claimed.

ACTION 03 · AVA-BM-003

Build a Planner Brief Against Hyatt's Different Strengths

MEDIUM | AWAITING HOTEL DECISION | NEEDS INVESTIGATION | Owner: Hotel Commercial Leadership

Timing: Internal brief within 30 days

WHAT WE FOUND

Hyatt capacity materials support a 7,200-square-foot Regency Ballroom and about 20,000 square feet of function space, with a Metro-center address. Bethesda Marriott can defend Metro shuttle service, 27-room breakout depth, and Pooks Hill positioning. NIH's current patient hotel shuttle list includes Hyatt Regency and does not include Bethesda Marriott.

WHY IT MATTERS

A sourced internal brief can help planners understand fit without attacking Hyatt or claiming an NIH shuttle advantage this audit could not verify for Bethesda Marriott.

RECOMMENDED ACTION

1. Review only displaced planner scenarios.
2. Compare sourced access, meeting inventory, location, and target occasion facts.
3. Approve two or three non-superiority distinctions that exclude unverified NIH-route claims.
4. Use the brief in sales enablement; publish only hotel-approved facts.

ACCOUNTABLE OWNER

Hotel Commercial Leadership

SUPPORTING PARTIES

Sales strategy; revenue strategy; Marriott digital content

SUGGESTED TIMING

Internal brief within 30 days. Timing is proposed and requires accountable-owner agreement.

MEASURABLE COMPLETION CRITERIA

- **Investigation Completed.** A signed review records verified facts, unknowns, and the hotel decision—including explicit exclusion of unverified NIH-route claims.
- **Correction Submitted.** Every approved change is filed through the responsible hotel, Marriott, or partner workflow with exact source references.
- **Correction Verified Live.** Named pages, collateral, or internal brief match the signed decision and retain working inquiry paths.
- **No Change Required.** Valid when leadership documents that the optional/competitive action is not commercially warranted; rationale is retained.

Hotel Decision Required. Hotel leadership must approve facts and any public change before implementation.

AGENCY IMPLEMENTATION DETAILS

For the digital marketing agency, website developer, or CDN partner.

- VERIFIED PUBLIC EVIDENCE
  Hyatt Regency Bethesda capacity chart — Regency Ballroom 7,200 sq ft
- VERIFIED PUBLIC EVIDENCE
  Hyatt Regency Bethesda fact sheet — ~20,000 sq ft function space

VERIFICATION METHOD

Signed hotel decision, tracked implementation ticket where applicable, and live-page or final-brief QA.

DEPENDENCIES

- Hotel fact confirmation and accountable-owner approval.

TECHNICAL NOTES

Hyatt consumer page blocked automated retrieval (403/429); capacity claims rest on Hyatt published PDF assets. No paid research or ADP remeasurement was performed.

ACTION 04 · AVA-BM-004

Decide Whether an Association Module Supports Target Demand

OPTIONAL | AWAITING HOTEL DECISION | OPTIONAL OPPORTUNITY | Owner: Hotel Commercial Leadership

Timing: Decision within 30 days; module in 60–90 days if approved

WHAT WE FOUND

The hotel already has substantial meetings and institutional-demand content. A dedicated association module is warranted only if sales identifies a defined audience and use case.

WHY IT MATTERS

A focused module could organize relevant facts and inquiry routing, but generic expansion would add maintenance and cannot be assumed to increase AI consideration or bookings.

RECOMMENDED ACTION

1. Sales records a segment-level go/no-go.
2. If go, define audience, use cases, approved facts, and inquiry owner.
3. Draft a concise module without duplicating generic brand copy.
4. If no-go, document and close the action.

ACCOUNTABLE OWNER

Hotel Commercial Leadership

SUPPORTING PARTIES

Association sales; corporate sales; Marriott digital content

SUGGESTED TIMING

Decision within 30 days; module in 60–90 days if approved. Timing is proposed and requires accountable-owner agreement.

MEASURABLE COMPLETION CRITERIA

- **Investigation Completed.** A signed review for "Decide Whether an Association Module Supports Target Demand" records verified facts, unknowns, and the hotel decision.
- **Correction Submitted.** Every approved change is filed through the responsible hotel, Marriott, or partner workflow with exact source references.
- **Correction Verified Live.** Named pages, collateral, or internal brief match the signed decision and retain working inquiry paths.
- **No Change Required.** Valid when leadership documents that current content is accurate or the optional/competitive action is not commercially warranted; rationale is retained.

Hotel Decision Required. Hotel leadership must approve facts and any public change before implementation.

ACTION 05 · AVA-BETH-DA-001

Pursue Local Destination Profile; Protect NIH Evidence Integrity

MEDIUM | AWAITING HOTEL DECISION | OPTIONAL OPPORTUNITY | Owner: Hotel Sales / Marketing

Timing: Shuttle confirmation in 2 weeks; destination outreach in 30 days

WHAT WE FOUND

NIH ORS shuttle page is verified context without listing Bethesda Marriott; Clinical Center hotels URL stays rejected. Destination lodging backlink not confirmed in this pass.

WHY IT MATTERS

Government-travel buyers need accurate institutional context and a clean official Marriott path.

RECOMMENDED ACTION

1. Confirm hotel-operated NIH shuttle facts with operations.
2. Submit destination lodging profile with Marriott URL.
3. QA that Clinical Center hotels URL never reappears in PDF annotations.
4. Archive destination listing evidence.

ACCOUNTABLE OWNER

Hotel Sales / Marketing

SUPPORTING PARTIES

Marriott content; Destination Bethesda / Visit Montgomery

SUGGESTED TIMING

Shuttle confirmation in 2 weeks; destination outreach in 30 days

MEASURABLE COMPLETION CRITERIA

- **Investigation Completed.** Opportunity owner and required facts confirmed with hotel leadership.
- **Correction Submitted.** Outreach or listing update request filed with supporting evidence.
- **Correction Verified Live.** Live destination/partner page checked and archived after update (or documented refusal).
- **No Change Required.** Valid if leadership documents that the opportunity is out of scope with evidence retained.

Hotel Decision Required. Approve outreach copy, official URL, and factual claims before partner contact.

4. Archive destination listing evidence.

SOURCE EVIDENCE

- VERIFIED PUBLIC EVIDENCE
  NIH ORS Patient Hotel Shuttles

- VERIFIED PUBLIC EVIDENCE
  Visit Montgomery
- VERIFIED PUBLIC EVIDENCE
  Bethesda Marriott overview

VERIFICATION METHOD

Live-page QA with archived screenshots and classification note.

DEPENDENCIES

- Hotel leadership approves facts before outreach.

TECHNICAL NOTES

Public partial Digital Authority research only; no paid SEO metrics invented.

7. Methodology, Responsibilities & Next Steps

Combines the certified ADP baseline with a bounded review of named public pages and zero-cost technical probes. No paid research, Airtable write, ADP remeasurement, or customer publication was performed. November 2026 correction: NIH shuttle citations re-verified against the live NIH Patient Hotel Shuttles page.

How to Read Findings

- VERIFIED_ISSUE — a directly observed, source-backed discrepancy.
- RECOMMENDED_INVESTIGATION — evidence warrants review but does not prove a defect or cause.
- REQUIRES_HOTEL_CONFIRMATION — hotel leadership must establish the source of truth before correction.
- OPTIONAL_COMMERCIAL_OPPORTUNITY — proceed only if leadership wants the demand.

Responsibilities

- Hotel leadership confirms facts, priorities, and public changes.
- Digital or brand teams implement only approved corrections and document verification.
- Dealality packages measurement context and evidence without implying booking or revenue causation.

How This Relates to Monthly Monitoring

Approved actions may be tracked in a later review. Completing an action does not itself prove a change in AI presence, bookings, or revenue.

Suggested Next Step

Confirm NIH/shuttle facts first, then authorize the highest-priority validated work.
