AI VISIBILITY AUDIT & ACTION PLAN

The Westin Tampa Waterside

Tampa, Florida

INITIAL DIGITAL PRESENCE ASSESSMENT

NOVEMBER2026

1. Executive Audit Summary

Turn Certified AI Presence Into Clearer Buyer Context

The Westin Tampa Waterside shows AI Consideration 38% and Scenario Presence 69.6% (peer #6 of 6) on the Dealality's latest AI visibility measurements. These measures do not diagnose a website defect. Priority work is to keep official facts accurate, document any automated-access constraints, and present demand-relevant strengths consistently for owners, GMs, and marketing teams.

Performance Snapshot

AI CONSIDERATION	SCENARIO PRESENCE	CERTIFIED PEER POSITION
38%	**69.6%**	**#6 of 6**
Mentioned in 70 of 184 comparable AI answers	Present across 32 of 46 eligible traveler-need scenarios	Among 6 relevant Marriott Bonvoy hotels

AI Consideration and Scenario Presence come from the Dealality's latest AI visibility measurements. Presence is not bookings, revenue, or traveler exposure.

Key Findings

1. Certified Measurement Is the Baseline, Not a Website Verdict

Consideration 38% / scenario 69.6% / peer #6 of 6 are retained from the certified ADP period without remeasurement.
Why it matters. Leadership should investigate visibility signals without treating the website as proven cause.

2. Official Discovery Path Must Stay Accurate

The official website did not return usable HTML to the automated probe; browser or brand-CDN confirmation may be required.
Why it matters. Guests, planners, and AI systems reuse official facts; broken or unreachable official pages undermine every recommendation.

3. Destination and Partner Authority Is a Follow-On Opportunity

Public partial Digital Authority research may identify destination inventories; unpaid research does not invent backlink counts.
Why it matters. Commercially relevant opportunities should be pursued only with verified pages and honest classifications.

Recommended Priorities

PRIORITY	ACTION	DESIRED OUTCOME
High	Commercial team: approve canonical property facts on the official site	One signed source-of-truth fact pack
High	Digital/CDN owner: investigate automated access to the official site	Documented intended crawler access posture
Medium	Sales/marketing: identify one destination or partner listing opportunity	Qualified authority opportunity with official URL

EXECUTIVE TAKEAWAY

The Westin Tampa Waterside should treat the certified AI measures as a monitoring signal. Improve factual clarity on the official site first, then pursue destination authority with verified links only.
