Brand Overview

Key takeaways for the selected brand and current filters—what changed, where you stand, and why it matters.

PERIOD CHANGE

In CALA on OpenAI, AI Presence for Autograph Collection decreased by -8.3 pp versus the prior comparable monitoring run. Watch whether owner-facing visibility keeps moving in this direction.

WHERE YOU STAND

Autograph Collection has 91.7% AI Presence in CALA on OpenAI (English) (#1 of 15 among peers). That is the observed rate for this brand under the current filters—not a portfolio leaderboard.

QUESTIONS MISSING

Autograph Collection did not appear in 1 of 12 owner questions in CALA (8.3% of the CALA question set) under CALA · OpenAI · English. The largest miss is Branded Residences (1 of 2 questions in that family).

PROVIDER DIFFERENCES

For Autograph Collection in CALA, Presence differs across OpenAI, Gemini, Perplexity and Claude: OpenAI leads at 91.7%, Perplexity trails at 58.3% (spread 33.3%). An owner on OpenAI is more likely to see Autograph Collection than one on Perplexity.
