AI VISIBILITY AUDIT & ACTION PLAN

UMusic Hotel Madrid

Madrid, Spain

INITIAL DIGITAL PRESENCE ASSESSMENT

NOVEMBER 2026

1. Executive Audit Summary

Make the Hotel-Theater Proposition and Central-Madrid Assets Easier to Resolve

UMusic Hotel Madrid has a distinctive official proposition—130 rooms, direct access to the 898-seat Teatro Albéniz, four meeting rooms, central walkability, and seasonal rooftop amenities—but appeared in only 2 of 46 eligible scenarios. The action plan focuses on precise hotel-theater packaging, seasonal amenity clarity, planner facts, and small official-page hygiene issues.

Performance Snapshot

AI CONSIDERATION	SCENARIO PRESENCE	REALITY GAP
1.1%	**4.3%**	**50.0%**
Mentioned in 2 of 184 comparable monitored AI answers	Present across 2 of 46 eligible traveler-need scenarios	6 of 16 tested attributes recognized; 10 remained gaps

AI Consideration is the share of 184 comparable monitored answers mentioning the hotel; Scenario Presence is the share of 46 eligible traveler-need scenarios where it appeared. No certified peer position is available. Reality Gap summarizes tested attribute recognition and does not represent bookings, ADR, revenue, or traveler exposure.

Key Findings

1. The Signature Hotel-Theater Offer Is Specific but Lightly Captured

The official site documents direct lobby access to the 898-seat Teatro Albéniz and a 130-room five-star hotel, while scenario presence was 4.3%.

Why it matters. The opportunity is to package verified decision context, not to promise ranking movement.

2. Central and Rooftop Assets Are Under-Recognized

Walkable downtown was recognized at 7.1%, outdoor pool 10%, fitness 14.3%, city views 20%, and terrace rooms 5.7%.

Why it matters. Official pages already support these attributes but need consistent seasonal and location qualifiers.

3. Small Official-Page Errors Weaken Precision

The theater page repeats “TEATRP” in event addresses, and a 2026 Splash Pass remains under a 2025 URL slug.

Why it matters. Simple hygiene fixes reduce ambiguity in otherwise strong first-party content.

2. Priority Findings & Opportunities

The most important verified corrections and opportunities for this hotel. Full research detail remains in the AVA record.

PRIORITY: HIGH · **PLATFORM:** UMUSIC MADRID OVERVIEW

Recommended action: Package the Hotel-and-Teatro Albéniz Proposition

1. Approve one factual hotel-theater description.
2. Apply the change on the verified page (umusic-hotels.com) and retain before/after evidence.
3. Cross-link rooms, theater schedule, and hotel booking paths.
4. Clarify whether show tickets and rooms are booked separately.

Responsible party: Hotel Web Content Owner

PRIORITY: MEDIUM · **PLATFORM:** OFFICIAL WEBSITE

Issue: Confirm that meetings, dining, and amenities facts on the official page match the hotel's approved source of truth; align third-party listings after confirmation.

Why it matters: Digital content readiness depends on one approved source of truth before third-party outreach.
